Expedited shipping available

Your medication is delivered within 7 to 11 days. Place your order when you have at least a 14-day supply of that medication on hand.

For an additional fee, your order will be shipped by an expedited service offered to your area. This option must be chosen when you make the order, and cannot be applied after an order is already processed.

Additional Instructions

If you elect to have this and all future orders automatically charged to your credit card, check the appropriate box on the front of this form in the Order Information section or enroll by phone. Remember, that the automated payment plan feature will apply to **all** mail orders. Also note, that we can only keep one credit card on record.

You may have a balance limit on your plan account. If you do, once your unpaid balance exceeds that limit, no additional orders will be processed until the balance is paid-in-full.

You can call 1 800 948-8779 anytime to enroll in our automated payment plan, change the credit card on file, check your account balance, or pay by phone using a credit card.

Ohio Law allows a less expensive, generically equivalent drug to be substituted for certain brand-name drugs unless you or your physician direct otherwise.
